NICDA extends sincere thanks once again to the O’Neill family for their hospitality and the use of Shanes Castle Estate, also to the Randalstown Carriage Driving Club Organising Committee and the many volunteer helpers who made the event possible. Thanks to Presentation Judge Gordon Bell, Dressage Judges Mary Bryson (Scotland) and Allison McGaughey, Chief Timekeeper Tony Walsh, Course Designers Terry Logan and Eddie Ingram. Simply invaluable were the Scorers - Anne Lyons, Joyce Bell and Pam Shepherd and not forgetting Gordon Bell who commentated for the spectators over the two days.

Sponsorship and support are essential to running an event of this calibre, so both NICDA and the Organising Committee of The Randalstown Carriage Driving Club would like to extend sincere thanks to the generosity of the sponsors - **Premier Electrics Ltd, Patton Group, Edgewater Contracting, Sperrin Metals, Mr Gordon Bell, Vogal Project Management and TMA Contracts.**
