## **Season's Greetings to all members and friends of Carriage Driving!**

Dear Carriage Driving subscriber and Enthusiast,

Another great year's carriage driving is coming to an end and already we find ourselves planning all sorts of driving activities for 2011.

2010 saw a great spread of Driving trials take place all over Ireland and we noted a particularly lively participation of cross-border events by HSI and NICDA members, which added to the competitive and social element of our past-time.

I would like to wish everyone a safe, healthy and reflective holiday season and an invigorated start into the 2011 driving season! May we all be able for another year (financially and health-wise) of enjoyment of our horses and driving through nature.

### **Subscription renewal:**

I have enclosed the subscription renewal application forms for 2011. Please return these as soon as possible, ideally by 1.1.2011 to HSI, so as to not to allow a gap in your insurance cover. You might notice that we were able to drop the annual subscription by a small amount to help everyone make ends meet a bit easier this coming year.

HSI offices are open from ... to .... over the holiday period and we will be accepting renewals by post, fax, phone or email ([zdowling@horsesportireland.ie](mailto:zdowling@horsesportireland.ie)). If you have any queries please ring reception on 045 - 850800.

### **Dates for the diary:**

On New Years day 2011, a road drive at Kilcoran will take place (no matter what the weather!), info from Folke at 086 2597280 or [folke@eircom.net](mailto:folke@eircom.net). Details on the web at [www.carriagedrivingireland.com](http://www.carriagedrivingireland.com)

On Saturday February 5th at 7pm the subscribers information meeting and elections are scheduled at the Abbeyleix Manor House Hotel. Please do attend and participate to decide who is in charge of running the Carriage Driving Section and what matters need addressing for the coming season! We will give a summary of all our sections activities and business of 2010 and a preview of 2011.

Enjoy your holiday time - snow or rain, it'll be a break!

Yours sincerely

Folke Rohrssen, Chairman, Carriage Driving Section of Horse Sport Ireland

*PS: Did you know that touching a horse for 5 minutes per day drops blood-pressure more than conventional medication can!*
